

PRESS RELEASE

Carbonium organizing a Workshop at the Latin American Carbon Forum 2010

Paris, October 6, 2010. Carbonium has the pleasure to announce the organization of a workshop at the Latin American Carbon Forum in Santo Domingo, 13-15 October 2010. The workshop will give a focus on the issues related to the eligibility of Emissions Reductions (ERs) in the European compliance market, especially in view of Phase 3 (2013-2020).

Title of the workshop: Using post-2012 Emissions Reductions in the European Compliance Market

Panelists:

- Guido Schmidt-Traub, Director General, CDC Climat Asset Management
- Nubia Perez, Carbon Originator for Latin America, Gazprom Marketing & Trading
- Sandra Lopez, Expert, Ministry of Environment of Colombia
- Mateo Aquiles Flaquer, Chairman, Parques Eólicos del Caribe S.A. (PECASA)
- André Aguilar, CDM Projects Analyst, KfW Carbon Fund
- Natalia Garavito, Head of Origination, Carbonium

Date: October 14, 2010, 15:15 - 16:15 (Room C)

Venue: InterContinental Hotel, Santo Domingo, Dominican Republic

Website: <http://www.latincarbon.com>

About Carbonium

Carbonium is a private company present in the carbon market with a focus on the identification and the development of CDM and JI projects since end of 2006. It has its headquarters in Paris, France, with Representative Offices in Bolivia, Latin America, in Burkina Faso, Africa and in Vietnam, Asia. For more information visit: <http://www.carbonium.fr>

About the Latin American Carbon Forum

The Latin American Carbon Forum is a regional platform established to promote knowledge and information sharing while facilitating business opportunity environments among main carbon market stakeholders. It is organized on a yearly basis by a partnership among the World Bank, the Latin American Energy Organization (OLADE), the International Emissions Trading Association (IETA), and the United Nations Environment Programme (UNEP) Risø Centre. In 2010, the Inter-American Development Bank (IDB) and the United Nations Conference on Trade and Development (UNCTAD) have joined as new members to the Latin American Carbon Forum partnership.
