## **Carbonium organizing a side-event on Joint Implementation (JI) at Carbon Market Insights 2010**

Paris, February 4, 2010. Carbonium is pleased to announce the organization of a side-event during Carbon Market Insights 2010 in Amsterdam, 2-4 March 2010, the annual event from Point Carbon for the world's carbon market leaders. The side-event will include all aspects of Joint Implementation (JI), from risk assessment to implementation and issues regarding projects developed in Annex I countries. Contrasts or similarities will be highlighted between in-transition countries and developed countries. It will also cover Emissions Reduction Units (ERU) as a financial product on the market, and discuss its value and its uses.

Title of the side-event: JI today and JI tomorrow: where do we stand?

Panelists:

- Benoît Leguet, Joint Implementation Supervisory Committee (JISC) / Caisse des Dépôts et Consignations
- Lennard de Klerk, JI Action Group
- Georgiy Geletukha, Joint Implementation Supervisory Committee (JISC) / SEC Biomass
- Arjan Karreman, Statkraft
- Alexandre Borde, Carbonium (moderator)

Date: March 2<sup>nd</sup>, 2010 – 16:00 CET

Venue: Amsterdam RAI Congress Center
